

FAASTeam presents:

Intro to Sport Pilot Flight Instruction for Instructors, Students & Pilots

Learn the details of how to Instruct in or fly Light Sport Aircraft. The Second Generation of the Light Sport Aircraft is here. The new LSA's come with many great improvements from the first generation of LSA. Pilots who operate these aircraft can fly under the new Sport Pilot privileges, which do not require a FAA medical certificate. Come learn all you need to know about this exciting new type of aircraft and operations!

Directions: Fly-In: Park at Sonoma Jet Center Ramp, walk to Main Hanger south of red roof FBO building.

Drive-In: Park along Flightline Drive and walk west to Sonoma Jet Center

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
